EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Allan M. Lowe on 10 March 2005.

The application has been amended as follows:

Claim 21 is amended from

"A method of running a computer entity, said computer entity comprising:

a data storage device divided into a plurality of partition areas;

a primary operating system stored on a first of said plurality of partition areas; and

a secondary operating system stored on a second of said plurality of partition areas;

said method comprising the steps of:

storing as a back up copy a known good pristine copy of the primary
operating system on a third of said plurality of partition areas; and

storing patch data representing a portion of code which replaces a portion of
said primary operating system on said third partition area." to read,
